

Please create three 4×6 front and back point of sales for hand out at the Expo.

I'd like the back side of all three to be the same, Pourter branded, website information and my digital contact qr code (same one that you placed on the tri-fold)

Front side - 4×6 card 1:

NYC model unit specific:

Please include these details (as copied from tri-fold flyer)

No other specific requests for design - do whatever you feel is best, please.

POURTEER

OUR 5 X 10 NYC-SPECIFIC CART INCLUDES:

- ▣ Compact 5 x 10 footprint ideal for NYC street & event environments
- ▣ Fully enclosed, compliant build-ready configuration
- ▣ Commercial hood & fire suppression integration options
- ▣ Battery powered, generator-ready + shore power setups
- ▣ NSF wall systems & washable interiors
- ▣ Commissary-compatible plumbing configuration
- ▣ Customizable exterior branding (add a digital screen!)
- ▣ Built with durable materials designed for high-frequency use

These units are ideal for coffee concepts, hot food vendors, beverage operators, and scalable multi-

Front side 4×6 card 2:

Please brand this as Brun & Blond

Goal is to give these to folks interested in being a franchisee

Please include:

We make it really simple for any aspiring F&B franchisee to build their business and make double the profitability vs. traditional franchising models

- Affordable upfront mobile unit set up cost and sustainable ongoing royalties and fees ensuring franchisee gets greater share of profits
- Tailored educational material to get going on business set up and operations
- Ongoing operational advisory and support including regular check-ins
- Premium brand aesthetics and high quality marketing to promote brand
- Consistent product quality through strategic supply side partnerships

Front side 4×6 card 3:

Please brand this as Pourter

Goal: to be the hand out for customers interested in a Pourter custom built trailer (not specific to NYC or Franchise)

Please include:
